Quotation for Procurement of Machines for Center of Excellence

Introduction of AMH SSC

The Government of India has constituted Prime Minister's ambitious skill development programme under the leadership of the National Skill Development Corporation. The NSDC mandates skill formation to develop the workforce with enhanced skill through structured programme and assessment.

Owing to the presence of widespread training centers, participated by both public and private entities, determining the quality of training rendered at different training centers is crucial to the success of skill development programme and, thus, skill assessment is essential part of skill development.

AMHSSC is operating under Ministry of Skill Development & Entrepreneurship with primary mandate of enhancing and to build a capacity in skill development. One of the salient features of the AMH SSC is designing of training programmes, based on industry demands of different segments and to ensure that all successful trainees are certified through accredited agency.

AMHSSC has been authorized by NSDC for evolving assessing proficiencies of skills of trainees for the Apparel, Made-ups and Home furnishing sectors for their respective subject areas.

Objective

AMHSSC is required to establish 4 (four) 'Centers of Excellence'.

The Centre of Excellence (CoE) is a replicable model of an industry-driven training and support service that aims to meet the sector's labour force needs. The initiative seeks to increase both the employability and wages of the working poor.

AMHSSC role is to implement certified training within the National Skills Qualification Framework (NSQF) to improve the quality of work and productivity in ready-made garment factories and to enable workers to have their skills formally recognized (RPL). AMHSSC will furthermore deliver training and certification for instructors, industry trainers and assessors and also work with managers and owners of enterprises.
